## Narrative

Our original Form 471 funding commitment was denied stating that our pre-discount funding amount exceeded the Category 2 budget.

As I was reviewing the original Category 2 Form 471 it came to my attention that the number of students and the subsequent NSLP count was not updated at the time of submission.

At the present (school year beginning August 2017-June 2018) we have 59 students enrolled and 31 are NSLP eligible.

Please recalculate our Category 2 budget with these updated enrollment numbers and consider approval of our Form 471 funding request.

Thank you.
